G-95-06-04

The attached ordinance is to formally set a fee for the reproduction of the Communications Department's recordings of the 911 emergency lines and radio channels.

This fee was established in mid 1994 to try to recoup our costs for providing the recordings. These fees technically require the approval of Council and we are submitting this ordinance to formally adopt the fee.

While the annual requests for these reproductions have been small this would formally establish a fee for any such requests in the future. We are averaging two to ten requests per year at this time.

Respectfully,

Randy L. Raypole
Chief of Communications
